Car Headrest DVD Player - 7 inch TFT - FM Transmitter Audio

[013]

Car Headrest DVD player system with a super large 7 inch TFT LCD display for letting passengers in the back seats really enjoy movies as you drive. This Car DVD accessory features a built-in region-free DVD player, and a FM transmitter for sending audio directly to your car stereo for the incredible sound your cars own sound system can provide. Other great features include AV IN and AV OUT, adjustable struts for the headrest for easy installation, a 3.5mm earphone jack, and the ability to be powered either from the car battery directly or a car cigarette power adapter. Fun and low priced, this is a car headrest DVD player that is an easy choice for anyone looking for quality.

Available colours: Black, Grey, or Beige. *Please specify the colour(s)*

Please note this product comes 1pc (one headrest monitor/DVD player) in 1 box. If you need a pair you need to add 2 pieces to your shopping cart.
